

**Any Exhibitor planning to bring a motor vehicle on the show floor must comply with the following rules and regulations set forth by the City of Mississauga Fire Department:**

1. Motor vehicles or gasoline-powered equipment on display must be equipped with lock-on type gasoline tank caps and batteries are to be disconnected. Gasoline tanks must not be filled beyond the  $\frac{3}{4}$  mark in order to allow for expansion of product. Vehicles unable to be equipped with lock-on type caps must have caps sealed in a manner acceptable to the Fire Department.
2. Running of display vehicles during exhibit is prohibited unless approved by the Fire Department.
3. Shows requiring vehicles to run as part of a performance or contest must fill vehicle outdoors from approved safety containers.
4. Propane charged cylinders are not permitted on self-propelled vehicles or trailers on display inside buildings.
5. If at any time an Inspector deems that equipment is being operated in a manner dangerous to public safety, he shall cancel the privilege of the exhibitor concerned.
6. A fire extinguisher is required at all times in any booth with a motor vehicle.

**In addition to the rules set forth by the Fire Department, any exhibitor planning to bring a motor vehicle on the show floor must coordinate the arrival and move in of the vehicle with Messe Frankfurt and Lange.**
